Introduction to PPM Relocation Guide & Maps

PPM Relocation Guides (PPRG) can put **1000's of real estate agents** in your marketing areas to work for your company.

What would it mean to your business to have your complete message hand-delivered to thousands of remodeling homeowners each year?

Please review a sample **Premier Property Relocation Guide** by visiting:
<http://www.premierpropertymaps.com/washington/chelan/chelanco.php>

Our **PPRG** presents the best **Image, Message Content** and **Focused Distribution** available, to deliver **YOUR** message directly to property owners interested in remodeling their properties.

For less than you probably paid for your last brochure alone, our **PPRG** can guarantee your company **cost-effective, full penetration into the Real Estate Home Improvement Market** in your area.

Do Not Delay! The PPRG **does not solicit competing contractors/service providers**, once we contract with your company we will **not** solicit any other direct competitors in your market.

Our PPRG program can generate home/property improvement referrals directly from homeowners to your business in many cities located in the following WA and OR counties:

- King • Kitsap • Snohomish • Pierce • Thurston • Skagit • Washington • Clallam • Jefferson
- Mason • Chelan • Douglas

For more information on how our **PPRG** to work for you, please contact Premier Property Maps:
