Bob,

It was great to meet you the other day at the Kitsap Mall Kiosk.

Jeanette and I would really like to use your Relocation Guide brochures.

We specialize in Kitsap County but could use some for Port Townsend. Sorry, I didn't have time to review what areas you had again before I sent this out. We could use at least 4-6 in Silverdale especially. So, feel free to mail them or drop them by our office when you get a chance.

Thanks again and great product! Have very happy holidays!
